

Sunday 24th April 2016 Starting at 10:30

Hull Auto Club, Farndale, North Yorks, OPEN 2-lap Charity Trial.

Hull Auto Club – Farndale West side 2-lap OPEN charity Trial – The Dave Summer Trial for the Kennington Cup in aid of the Farndale Village Hall Fund, incorporating EYC Adult, Southern group & Clubman Championship EYC Inter Club Team Trial.

OPEN trial for all Adult & Youth solos (being members of Clubs affiliated to the ACU who hold a current ACU Trial Registration Card / SACU License) with separate conducted route for Youth D & E and beginners.

Three linked farms give 2 long laps of about 20 sections all off road with 4 routes, Expert, Intermediate, Clubman A and easy Clubman B. Twin-shocks will ride the Clubman B route.

For this year, after many requests, we have decided to have a route for intermediates as previously on the 50/50 route, some of their expert sections were too hard and some Clubman A sections too easy for the inters. Inters will generally follow the expert course with some deviations to ease their route.

George McGee's conducted trial for Youth D & E will be on land adjacent to the start field.

At : Wether Hill Farm, Farndale, Kirkbymoorside, North Yorks, YO62 7LA.
Flagged from the Hutton le Hole to Castleton road, down Blakey Bank to Church Houses, then across the valley to the East side. Only use the flagged route into Farndale.

Please allow ample time to get to the venue and entered well before the 10:30 start, as the route from Blakey Ridge is narrow and long. **Last year an inconsiderate late arrival speeding to the event forced one of the landowners off the road and could have lost us the land!**

Volunteers to observe (some with bikes) would be appreciated –contact Jim Austermuhle on 01751 417455 as soon as possible for planning purposes. Observers need to be at the start field at around 09:30 to allow transport to the sections.

The village hall committee will be selling the burgers and hot drinks after the event – free to all observers/helpers.

In the event of bad weather, please look on Trials Central or Scarborough & DMC or Guisborough & DMC websites for any updates or contact sec.

Start time: 10:30 prompt
