

**Sunday 11th September**

**Hull Auto Club, Open Trial, Farndale, North Yorks – The Sir Arthur Atkinson Cup Trial.**

OPEN solo trial for all Adult & Youth ACU licence holders with separate conducted Youth D & E adjacent to the start field.

This is the same venue as our popular Farndale West Side 2-lap Charity trial held on 24<sup>th</sup> April, but this time a shorter course using about 60% of the land and will consist of 4 laps of 10 sections - still a good ride round.

Hull Auto runs 4 routes, Expert, Intermediate, Clubman A & Clubman B.

Our thoughts go to George McGee, the EYC Youth trials maestro who is now out of the ICU at James Cook hospital, making good progress and undergoing physiotherapy. This is a good venue for the conducted course and I'll try to run the D & E conducted course to his high standards.

At: Wether Hill Farm, Farndale, Kirkbymoorside YO62 7LA. Flagged from the Hutton le Hole to Castleton road, down Blakey Bank to Church Houses, then across the valley.

Only use this way into Farndale and please allow plenty of time to get there and entered before 1100, as the route from Church Houses takes some time.

Any volunteers to observe, some with bikes would be appreciated –contact Sec.

In the event of bad weather, please look at Scarborough & DMC or Guisborough & DMC websites for any updates or contact sec.
