Disconnected Jottings From Bill Nicholson

A little short on numbers with some of our regulars missing but good to see some new faces.

Hope you enjoyed our trial.

Pickering District Motor Club PLC

The sections stayed in good condition due to better than expected weather with sections 7 and 8 on the bank side, and section 9, up and round the trees proving to be the big mark takers from most riders. Thanks to our observers - much appreciated.

Lets hope the weather is as kind for our next trial on Dec 10th at Yatts Farm, Newton on Rawcliffe, Pickering - YO18 8JN

Look forward to seeing you all there
