Thank you to a every who has helped in any way with this event, I mention especially Frank and his band for setting out the sections, the observers, the catering staff and Ann who helped me with the results.

I apologise for any errors in the results but these are made more difficult with machine changes and late entries which affect the programme and results programme

Thank you to the campers who donated a magnificent £375 to our charities The ACU Benevolent Fund and The Yorkshire Air Ambulance, this will be added to the riders charity donation in lieu of awards

WE hope you enjoyed your weekend and had a safe journey home.
