

Hull Auto Club, Open Trial, Low North Park, Harwood Dale, Scarborough, North Yorks –

The Embro Cup Trial. - Sunday 16th December 10:30

Again this year Scarborough & District Motor Club has kindly offered to let Hull Auto Club run their last trial of 2018 at their fantastic Low North Camp venue. We are looking forward to running a trial at “The Camp” and Clerk of the Course Mark Williamson plans to his own stamp on the sections with 3 laps of 12 sections.

The SDMC Ladies have kindly agreed to run their full refreshment facilities so that hot butties, tea and the like will be available. All observers will get a voucher for a burger or similar and a hot drink.

It's an OPEN solo trial for all Adult & Youth ACU licence holders (remember to bring your licence or it's an extra £3 for a One Event Licence!) with separate conducted course run for Youth D & E adjacent to the parking field.

Hull Auto always runs 4 routes, Expert, Intermediate, Clubman A and Clubman B. For this event only, we plan to run a white route on as many sections as possible for adult/youth beginners or older riders who want to ride very easy sections.

Maybe you have a friend who has practiced at the camp or elsewhere, got the trials bike and all the right gear but no trials licence to allow entry into an event. We now have ACU “One Event” licences which issued by the Secretary on the day for £3 (plus the £15 entry fee for adults, £10 for youths) allows a taste of a competition for one event. For a first event, depending on experience, the Clubman B route would be for more skilled newcomers or the White Route for a very easy ride round.

Although all Hull Auto Trials are OPEN, club members accumulate points towards the Club Championships. This being the last trial of 2018, some of the class awards are still to be decided, so Club members be aware that it is you last chance to get the those valuable points!

At: Scarborough & DMC's facility at Low North Park, Harwood Dale, Scarborough, North Yorks, YO13 0LA

Any volunteers to observe would be appreciated including some with bikes –contact me on 01751 417455.

In the event of bad weather, please look at Scarborough & DMC or Guisborough & DMC and Trials Central websites and Hull Auto FB Page for any updates or contact sec.

For those Club members who wish to renew their Hull Auto membership for 2018 or for those wishing join the Club, I will be available at the start with all the necessary documents and unique numbers for renewing trials licences on line or contact me before then. Membership is still at £6 for adults and £5 for youths.
