(Shaun) If this appears the event is full. Don't leave it so late next time 😊

Trial entries will open online approximately 2 weeks before the event.

The event entries will close at midnight 2 days before the event. I.e. a Sunday trial closes at midnight Thursday. The event entries will close before this should all the available places be taken before the above.

There will be no entries on the day.

On the day of the Trial you are required to sign on when you pick up your number. We will carry out random ACU licence checks to ensure you resemble your up loaded licence. Please bring your email entry confirmation.

Remember to keep your feet up and enjoy the day!
