M2

Prior to the start, at 11:00, in line with ACU guidance and in respect for the late Queen Elizabeth II, a two minute silence was observed by all.

Thanks to the landowner for the use of this great bit of land, to the CoC Mark Williamson assisted by Callum for setting up, to Shirley Williamson, Sue Austermuhle & Jayne Peace for secretarial work,

Thanks to observers Lynn Woodmansey, Andy Lockett & Christine Eves, Harold Wilson, Trev Jones, Tim Marrison, Sam Dring, Pete Darrell, Toni Blackburn, Keith Ellis & Jo Stoddart and to the very efficient flag collection & sorting team.

To comply with NYMNP conditions for the event, we were required to brief competitors on footpath crossing procedures and also required several marshals for the footpath crossings. We would like to thank Jayne Peace, Sue Austermuhle, Barry Sunley, Ian Morley, Paul & Erin Woodmansey for offering to do that thankless job.

There were Zero walkers noted, but we have to adhere to NYMNP requirements to allow future use of such venues as we are always under increased scrutiny.

*** Black Jacket left at Keith Ellis's section 9 - call Jim on 01751 417455 to arrange collection.

Hull Auto Club is centered in Ryedale, North Yorkshire and only runs trials in Rosedale, Farndale, Helmsley and Lockton areas of North Yorkshire. All our trials are OPEN, but Club Members accumulate points towards the Club Championships.

As entries are by the ACU on-line system, the results will be first seen there, go to the ACU site, select events, select past events/results, and look for our event.

We would like to thank Scarborough & DMC and Guisborough & DMC for allowing us to post our results on their websites. We will also post notices and results on the Hull Auto Facebook page.

When looking on the SDMC website for other clubs results/regs, go to regs & results, regs & docs, centre regs

It is not clear whether we have a venue for our last trial date of 11th December, but will keep you advised on our Facebook page along with SDMC & GDMC websites.

Jim Austermuhle
